## **2.0 REMOVAL RESPONSE**

### **2.2 Sampling and Analysis Data**

1. Final study plan, 1995 sampling sites. (1995)
2. Cross Reference: "Substation decommissioning and sampling and analysis plan, LCP substation, Brunswick, Glynn County, Georgia," prepared by Benchmark Engineering for Georgia Power Company. Transmitted by the attached letter of June 6, 1995, from N.D. Dennis, Georgia Power Company, to Paul Peronard, EPA Region IV. (June 05, 1995) [Filed and cited in Entry Number 15 of 2.4 REMOVAL RESPONSE - Work Plans and Progress Reports]
3. Cross Reference: Memorandum from Philip R. Campagna, EPA Environmental Response Team, Edison, New Jersey, to Paul Peronard, EPA Region IV (with attachments). This memorandum entailed the air monitoring plan for the LCP Chemical Site, Brunswick, Glynn County, Georgia. (August 24, 1995) [Filed and cited in Entry Number 30 of 2.4 REMOVAL RESPONSE - Work Plans and Progress Reports]
4. Cross Reference: "Final report: LCP Chemical Site LCP engineering feasibility studies, Brunswick, Georgia," prepared by Roy F. Weston, Inc., for EPA Environmental Response Branch, Edison, New Jersey. Transmitted by the attached letter of June 3, 1996, from JoAnn Camacho, EPA Environmental Response Branch, to Paul Peronard, EPA Region IV. (May 1996) [Filed and cited in Entry Number 77 of 2.4 REMOVAL RESPONSE - Work Plans and Progress Reports]
5. "Status report, 20 September 1995 - 30 April 1996 (Volume 1 of 3) LCP Chemical Site, Brunswick, Georgia," prepared by Roy F. Weston, Inc., for EPA Environmental Response Team, Edison, New Jersey. This report documented air monitoring and sampling activities conducted between September 20, 1995, and April 30, 1996, at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (June 07, 1996)
6. "Status report, 20 September 1995 - 30 April 1996 (Volume 2 of 3) LCP Chemical Site, Brunswick, Georgia," prepared by Roy F. Weston, Inc., for EPA Environmental Response Team, Edison, New Jersey. This report documented air monitoring and sampling activities conducted between September 20, 1995, and April 30, 1996, at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (June 07, 1996)
7. "Status report, 20 September 1995 - 30 April 1996 (Volume 3 of 3) LCP Chemical Site, Brunswick, Georgia," prepared by Roy F. Weston, Inc., for EPA Environmental Response Team, Edison, New Jersey. This report documented air monitoring and sampling activities conducted between September 20, 1995, and April 30, 1996, at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (June 07, 1996)
8. Waste water sampling procedures for CH2M Hill lab. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 24, 1996)
9. "Brunswick atmospheric mercury study, March 4 - May 31, 1996, Brunswick, Georgia, EPA Science and Ecosystem Division, Athens, Georgia. Transmitted by the attached letter from Danny France, EPA Science and Ecosystem Division, Athens, Georgia, to Rafael Ballagas, Georgia Department of Natural Resources. (November 22, 1996)
10. Diagram, "Mercury, PCB and lead discharge concentrations for wastewater treatment plants 2 and 3 - June 1995 through November 1996," GeoSyntec Consultants. This diagram reflects discharge levels from the wastewater treatment plants at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (December 04, 1996)
11. Memorandum from J. Mark Kamilow, LCP Site Steering Committee, to Paul Peronard, EPA Region IV, and Leo Francendese, EPA Region IV (with attachments). This memorandum transmitted results of analytical tests conducted by Savannah Laboratories on stormwater runoff samples collected June 26, 1997, at the LCP Chemicals Removal Site, Brunswick, Glynn County, Georgia. (July 15, 1997)

[ Final ]

**2.0 REMOVAL RESPONSE****2.2 Sampling and Analysis Data**

12. Memorandum from J. Mark Kamilow, LCP Site Steering Committee, to Paul Peronard, EPA Region IV, and Leo Francendese, EPA Region IV (with attachments). This memorandum transmitted results of analytical tests conducted by Savannah Laboratories on stormwater runoff samples collected July 4, 1997, at the LCP Chemicals Removal Site, Brunswick, Glynn County, Georgia. (August 07, 1997)
13. Memorandum from Michael Morganti, Roy F. Weston, Inc., to Philip Campagna, EPA Environmental Response Team Center, Edison, New Jersey (with attachments). This memorandum transmitted results of air monitoring and sampling activities conducted during March and May 1997, at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (August 14, 1997)
14. Memorandum from J. Mark Kamilow, LCP Site Steering Committee, to Paul Peronard, EPA Region IV, and Leo Francendese, EPA Region IV (with attachments). This memorandum transmitted results of analytical tests conducted by Savannah Laboratories on stormwater runoff samples collected July 30, 1997, at the LCP Chemicals Removal Site, Brunswick, Glynn County, Georgia. (August 19, 1997)
15. Memorandum from J. Mark Kamilow, LCP Site Steering Committee, to Paul Peronard, EPA Region IV, and Leo Francendese, EPA Region IV (with attachments). This memorandum transmitted results of analytical tests conducted by Savannah Laboratories on stormwater runoff samples collected July 30 and 31, 1997, at the LCP Chemicals Removal Site, Brunswick, Glynn County, Georgia. (August 25, 1997)

**2.4 Work Plans and Progress Reports**

1. Memorandum from Al Taylor, to Louis Palladino, LCP Site Steering Committee (with attached revised schedule). This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (March 24, 1995)
2. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of April 2, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (March 31, 1995)
3. "Work plan, removal response activities, former facility disposal area, former LCP Chemical - Georgia Site, Brunswick, Georgia," prepared by GeoSyntec Consultants for Allied Signal, Inc. (April 1995)
4. Work plan, revision 1, removal response activities, outfall pond and canal former LCP Chemicals - Georgia Site, Brunswick, Georgia," prepared by GeoSyntec Consultants for Allied Signal, Inc. Transmitted by the attached letter from J.F. Beech, GeoSyntec, Inc., to Louis Palladino, LCP Site Steering Committee. (April 1995)
5. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of April 11, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (April 07, 1995)
6. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of April 17, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (April 14, 1995)
7. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 1, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (April 28, 1995)

**Administrative Record Index

**2.0 REMOVAL RESPONSE****2.4 Work Plans and Progress Reports**

8. "Work plan removal response action, LCP Chemicals - Georgia Facility, Brunswick, Georgia," prepared by GeoSyntec Consultants for Allied Signal, Inc. (May 01, 1995)
9. Appendices to work plan removal response action, LCP Chemicals - Georgia facility, Brunswick, Georgia," prepared by GeoSyntec for Allied Signal, Inc. (May 01, 1995)
10. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 8, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 06, 1995)
11. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 15, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 12, 1995)
12. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 22, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 19, 1995)
13. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 30, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 26, 1995)
14. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of June 05, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 02, 1995)
15. "Substation decommissioning and sampling and analysis plan, LCP substation, Brunswick, Glynn County, Georgia," prepared by Benchmark Engineering for Georgia Power Company. Transmitted by the attached letter of June 6, 1995, from N.D. Dennis, Georgia Power Company, to Paul Peronard, EPA Region IV. (June 05, 1995)
16. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of June 12, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 09, 1995)
17. Memorandum from Al Taylor to Leo Francendese, EPA Region IV. This memorandum transmitted a report on the addition of sodium hydrosulfide to the french drains at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee to Paul Peronard, EPA Region IV, for Leo Francendese, EPA Region IV. (June 14, 1995)
18. Memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV (with attachments). This memorandum transmitted drawings of the OHM Corporation clarifier to be used at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (June 14, 1995)
19. Schematic drawings for Cell Building Demolition at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of June 16, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 14, 1995)
20. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of June 19, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 16, 1995)

**2.0 REMOVAL RESPONSE****2.4 Work Plans and Progress Reports**

21. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of June 26, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 23, 1995)
22. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of July 10, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 30, 1995)
23. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. (July 07, 1995)
24. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of July 17, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (July 14, 1995)
25. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of July 24, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (July 21, 1995)
26. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of July 31, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (July 28, 1995)
27. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of August 07, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (August 04, 1995)
28. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of August 14, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (August 11, 1995)
29. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of August 21, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (August 18, 1995)
30. Memorandum from Philip R. Campagna, EPA Environmental Response Team, Edison, New Jersey, to Paul Peronard, EPA Region IV (with attachments). This memorandum entailed the air monitoring plan for the LCP Chemical Site, Brunswick, Glynn County, Georgia. (August 24, 1995)
31. Letter from James Harrigan, IDM Environmental Corporation, to Louis Palladino, LCP Site Steering Committee. This letter contained the work plan for the removal of the Number 26 Cell at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached letter from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (August 31, 1995)
32. "Site project monthly report, removal response action, former LCP Chemicals-Georgia Site, Brunswick, Georgia". (September 1995)
33. "Solids handling facility design plan," prepared by Applied Engineering & Science, Inc., for Georgia Power Company. Transmitted by the attached letter from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (September 1995)
34. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. Status report on removal activities to September 1, 1995. (September 01, 1995)

**2.0 REMOVAL RESPONSE****2.4 Work Plans and Progress Reports**

35. "Dioxin/Furan sampling plan, LCP Chemicals Site, Brunswick, Georgia," prepared by GeoSyntec, Consultants for LCP Chemicals Steering Committee. (September 14, 1995)
36. "Soil and waste removal work plan, phase IIIA removal response activities, former LCP Chemicals - Georgia Site, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (September 15, 1995)
37. "Generic remedial action plan, former electrical substation, LCP Chemicals, Brunswick, Georgia Site," prepared by Benchmark Engineering for Georgia Power Company. Transmitted by the attached letter of October 6, 1995, from N.D. Dennis, Georgia Power Company, to Paul Peronard, EPA Region IV. (September 22, 1995)
38. Waste removal project, LCP Chemicals-Georgia Complex, October 1995. A report of monthly activities. (October 1995)
39. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of October 13, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (October 12, 1995)
40. Letter from James Harrigan, IDM Environmental Corporation, to Louis Palladino, LCP Site Steering Committee. This letter entailed the work plan for demolition and disposal of the Salt Plant at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of October 20, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (October 19, 1995)
41. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of October 20, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (October 19, 1995)
42. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of October 27, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (October 26, 1995)
43. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of November 8, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (November 02, 1995)
44. Memorandum from Thomas B. Maier, GeoSyntec Consultants, to Louis Palladino, LCP Site Steering Committee. This memorandum entailed the work plan for drummed waste sorting activities at the LCP Chemicals - Georgia Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (November 03, 1995)
45. Letter from Paul Peronard, EPA Region IV, to the Ecological Toxicity Experimental Design Team (with attachments). This letter provide committee members with an update on the status and development of the draft environmental design. (November 09, 1995)
46. "Soil and waste removal, transportation and disposal work plan, phase IIIB removal response activities, former LCP Chemicals - Georgia Site, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (November 13, 1995)
47. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of November 17, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (November 16, 1995)
48. Railroad track upgrade plan. (November 16, 1995)

49. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of December 1, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (November 30, 1995)
50. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of December 8, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (December 07, 1995)
51. Letter from Paul Peronard, EPA Region IV, to the Ecological Toxicity Experimental Design Team (with attachments). This letter provide committee members with a further update on the status and development of the draft environmental design. (December 11, 1995)
52. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of December 15, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (December 14, 1995)
53. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a report on the cell beam support inspection conducted at the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of December 20, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (December 18, 1995)
54. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of December 20, 1995, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (December 19, 1995)
55. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on removal activities conducted at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of January 3, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (January 02, 1996)
56. Memorandum from Paul Peronard, EPA Region IV, to Louis Palladino, LCP Site Steering Committee. This memorandum instructions and justifications for immediate removal and disposal of the demolition debris pile built during demolition of the Salt Plant and LCP Chloralkali production area at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (January 04, 1996)
57. Letter from James Harrigan, IDM Environmental Corporation, to Louis Palladino, LCP Site Steering Committee. This letter served as a work plan for the dismantling and removal of the Bleach Plant at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of January 9, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (January 05, 1996)
58. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on removal activities conducted at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of January 5, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (January 05, 1996)
59. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on removal activities conducted at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of January 12, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (January 12, 1996)
60. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on demolition activities conducted at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of January 18, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (January 18, 1996)

73. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of facilities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of April 4, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (April 04, 1996)
74. Memorandum from Al Taylor, to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (April 11, 1996)
75. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of facilities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of April 25, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (April 25, 1996)
76. Memorandum from Al Taylor, to Louis Palladino, LCP Site Steering Committee. This memorandum outlined work completed and planned for the rerouting of the power plant lines at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (April 25, 1996)
77. "Final report: LCP Chemical Site LCP engineering feasibility studies, Brunswick, Georgia," prepared by Roy F. Weston, Inc., for EPA Environmental Response Branch, Edison, New Jersey. Transmitted by the attached letter of June 3, 1996, from JoAnn Camacho, EPA Environmental Response Branch, to Paul Peronard, EPA Region IV. (May 1996)
78. "Procedure, solvent flushing of PCB contaminated transformers," submitted by IDM Environmental Corp. Transmitted by the attached memorandum of May 15, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 01, 1996)
79. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of facilities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 2, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 02, 1996)
80. Memorandum from Al Taylor, to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 09, 1996)
81. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of facilities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 16, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 16, 1996)
82. Memorandum from Al Taylor to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of facilities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum of May 23, 1996, from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 22, 1996)
83. Memorandum from Al Taylor, to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (May 30, 1996)
84. Memorandum from Al Taylor, to Louis Palladino, LCP Site Steering Committee. This memorandum served as a status report on the decommissioning of the LCP Chemicals Facility, Brunswick, Glynn County, Georgia. Transmitted by the attached memorandum from Louis Palladino, LCP Site Steering Committee, to Paul Peronard, EPA Region IV. (June 06, 1996)

54. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit. This memorandum served as POLREP (Pollution Report) #118 - 119, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (February 14, 1997)
55. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #120, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (February 21, 1997)
56. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #121, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (February 28, 1997)
57. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit. This memorandum served as POLREP (Pollution Report) #122, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (March 07, 1997)
58. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #123, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (March 14, 1997)
59. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #124, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (March 21, 1997)
60. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit. This memorandum served as POLREP (Pollution Report) #125, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (March 28, 1997)

**2.0 REMOVAL RESPONSE****2.10 Pollution Reports (POLREPs)**

61. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit. This memorandum served as POLREP (Pollution Report) #126, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (April 05, 1997)
62. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #127, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (April 11, 1997)
63. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #128, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (April 18, 1997)
64. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #129, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (April 25, 1997)
65. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #130, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (May 02, 1997)
66. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #131, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (May 09, 1997)
67. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #132, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (May 15, 1997)

68. Memorandum from Paul Peronard, EPA Region IV and Leo Francendese, EPA Region IV, to U.S. Environmental Protection Agency Headquarters, U.S. Environmental Protection Agency Region IV, U.S. Coast Guard Gulf Strike Team, U.S. Coast Guard Pacific Strike Team, U.S. Coast Guard Atlantic Strike Team, U.S. Fish and Wildlife Service, and Georgia Environmental Protection Division Coastal Health Unit (with attachments). This memorandum served as POLREP (Pollution Report) #133, documenting cleanup activities at the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (May 22, 1997)

**3.0 REMEDIAL INVESTIGATION (RI)****3.2 Sampling and Analysis Data**

1. "Final study plan for the analyses of seafood from the Turtle River, Brunswick River and several tributaries," Georgia Department of Natural Resources. Transmitted by the attached letter from Randall O. Manning, Georgia Department of Natural Resources, to Alan Yarbrough, EPA Region IV. (April 27, 1995)
2. "Sampling and analysis plan: remedial investigation and feasibility study (RI/FS), upland soils and ground water, LCP Chemicals - Georgia, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (February 1996)
3. "Technical memorandum: phase I ground water investigation for remedial investigation/feasibility study (RI/FS), LCP Chemical Site, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (March 1996) Draft document, not yet approved by EPA for use in RI/FS.
4. "Technical memorandum: phase I upland soils investigation for remedial investigation/feasibility study (RI/FS), LCP Chemical Site, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (March 1996) Draft document, not yet approved by EPA for use in RI/FS.
5. "Work plan for phase II ground water investigation, remedial investigation/feasibility study (RI/FS), LCP Chemical Site, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (March 1996)
6. Cross Reference: "Field sampling plan, ecological risk assessment and RI/FS (Remedial Investigation/Feasibility Study) for the marsh (estuarine) operable unit of the LCP Chemical Site in Brunswick, Georgia," prepared by PTI Environmental Services, and CDR Environmental Specialists for AlliedSignal, Inc. (March 1996) Draft document, not yet approved by EPA for use in RI/FS. [Filed and cited in Entry Number 2 of 3.12 REMEDIAL INVESTIGATION (RI) - Endangerment Assessments]
7. "Data report, cell building area subsurface investigation, LCP Chemicals Superfund Site, remedial investigation/feasibility study (RI/FS), Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (April 1997) Draft document, not yet approved by EPA for use in RI/FS.

**3.4 Work Plans and Progress Reports**

1. "Work Plan: remedial investigation and feasibility study (RI/FS), upland soils and ground water, LCP Chemicals - Georgia, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (February 1996)
2. Work plan: ecological risk assessment and RI/FS (Remedial Investigation/Feasibility Study) for the marsh (estuarine) operable unit of the LCP Chemical Site in Brunswick, Georgia," prepared by PTI Environmental Services, and CDR Environmental Specialists for AlliedSignal, Inc. (March 1996) Draft document, not yet approved by EPA for use in RI/FS.

(Update)**

**3.0 REMEDIAL INVESTIGATION (RI)****3.4 Work Plans and Progress Reports**

3. Letter from Gary N. Bigham, PTI Environmental Services, to Alan W. Yarbrough, EPA Region IV (with attachments). This letter transmitted modifications to the draft work plan for the marsh (estuarine) operable unit at the LCP Chemical Site, Brunswick, Glynn County, Georgia. (April 09, 1996) Draft document, not yet approved by EPA for use in RI/FS.
4. "Marsh subsurface exploration program, LCP Chemicals-Georgia Facility, Glynn County, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (November 1996) Draft document, not yet approved by EPA for use in RI/FS.

**3.10 Remedial Investigation (RI) Reports**

1. "Upland soils remedial investigation and feasibility study (RI/FS) LCP Chemicals - Georgia, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Steering Committee. (June 1997) Draft document, not yet approved by EPA for use in RI/FS.
2. "Remedial investigation report: ground water operable unit, volume 1, LCP Chemicals, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Steering Committee. (September 1997) Draft document, not yet approved by EPA for use in RI/FS.
3. "Remedial investigation report: ground water operable unit, volume 2, LCP Chemicals, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Steering Committee. (September 1997) Draft document, not yet approved by EPA for use in RI/FS.

**3.11 Health Assessments**

1. "Human health baseline risk assessment, ground water, LCP Chemicals Site, Brunswick, Georgia," prepared by Geraghty & Miller, Inc., for LCP Site Steering Committee. (September 1997) Draft document, not yet approved by EPA for use in RI/FS.
2. "Human health baseline risk assessment, marsh sediment and upland soil, LCP Chemicals Site, Brunswick, Georgia," prepared by Geraghty & Miller, Inc., for LCP Site Steering Committee. Transmitted by the attached letter from Adam Ayers, Geraghty & Miller, Inc., to Alan Yarbrough, EPA Region IV. (October 1997) Draft document, not yet approved by EPA for use in RI/FS.

**3.12 Endangerment Assessments**

1. "Primary final report: ecological assessment, LCP Site," Mark D. Sprenger, EPA Environmental Response Team and Nancy J. Finley, U.S. Fish and Wildlife Service. (February 1996)
2. "Field sampling plan, ecological risk assessment and RI/FS (Remedial Investigation/Feasibility Study) for the marsh (estuarine) operable unit of the LCP Chemical Site in Brunswick, Georgia," prepared by PTI Environmental Services, and CDR Environmental Specialists for AlliedSignal, Inc. (March 1996) Draft document, not yet approved by EPA for use in RI/FS.
3. "Health and safety plan: ecological risk assessment and RI/FS for the marsh (estuarine) operable unit of the LCP Chemical Site in Brunswick, Georgia," prepared by PTI Environmental Services, and CDR Environmental Specialists for Allied Signal, Inc. (March 1996) Draft document, not yet approved by EPA for use in RI/FS.
4. "Quality assurance project plan: ecological risk assessment and RI/FS for the marsh (estuarine) operable unit of the LCP Chemical Site in Brunswick, Georgia," prepared by PTI Environmental Services, and CDR Environmental Specialists for Allied Signal, Inc. (March 11, 1996) Draft document, not yet approved by EPA for use in RI/FS.
5. "Review of ecological risk at the marsh (estuarine) operable unit of the LCP Chemicals site in Brunswick, Georgia (Volume 1)," prepared by PTI Environmental Services, and CDR Environmental Specialists for Allied Signal, Inc. (December 1996) Draft document, not yet approved by EPA for use in RI/FS.

6. "Review of ecological risk at the marsh (estuarine) operable unit of the LCP Chemicals site in Brunswick, Georgia (Volume 2)," prepared by PTI Environmental Services, and CDR Environmental Specialists for Allied Signal, Inc. (December 1996) Draft document, not yet approved by EPA for use in RI/FS.
7. "Final report: ecological assessment, ecological risk evaluation of the salt marsh and adjacent areas at the LCP Superfund site, Brunswick, Georgia, (Volume 1)" prepared by Mark D. Sprenger, EPA Environmental Response Team, Nancy J. Finley, U.S. Fish and Wildlife Service, and Mark Huston, Roy F. Weston, Inc. (April 1997)
8. "Final report: ecological assessment, ecological risk evaluation of the salt marsh and adjacent areas at the LCP Superfund site, Brunswick, Georgia, (Volume 2)" prepared by Mark D. Sprenger, EPA Environmental Response Team, Nancy J. Finley, U.S. Fish and Wildlife Service, and Mark Huston, Response Engineering and Analytical Contract. (April 1997)
9. "Ecological risk assessment of the marsh area of the LCP Chemical Site in Brunswick, Georgia, (Volume 1)" prepared by PTI Environmental Services, and CDR Environmental Specialists for Allied Signal, Inc. (January 1998) Draft document, not yet approved by EPA for use in RI/FS.
10. "Ecological risk assessment of the marsh area of the LCP Chemical Site in Brunswick, Georgia, (Volume 2)" prepared by PTI Environmental Services, and CDR Environmental Specialists for Allied Signal, Inc. (January 1998) Draft document, not yet approved by EPA for use in RI/FS.
11. "Ecological risk assessment of the marsh area of the LCP Chemical Site in Brunswick, Georgia," (Appendices) prepared by PTI Environmental Services, and CDR Environmental Specialists for Allied Signal, Inc. (January 1998) Draft document, not yet approved by EPA for use in RI/FS.

**4.0 FEASIBILITY STUDY (FS)****4.2 Sampling and Analysis Data**

1. Cross Reference: "Final study plan for the analyses of seafood from the Turtle River, Brunswick River and several tributaries," Georgia Department of Natural Resources. Transmitted by the attached letter from Randall O. Manning, Georgia Department of Natural Resources, to Alan Yarbrough, EPA Region IV. (April 27, 1995) [Filed and cited in Entry Number 1 of 3.2 REMEDIAL INVESTIGATION (RI) - Sampling and Analysis Data]
2. Cross Reference: "Sampling and analysis plan: remedial investigation and feasibility study (RI/FS), upland soils and ground water, LCP Chemicals - Georgia, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (April 1997) Draft document, not yet approved by EPA for use in RI/FS. [Filed and cited in Entry Number 7 of 3.2 REMEDIAL INVESTIGATION (RI) - Sampling and Analysis Data]
7. "Feasibility study for the marsh (estuarine) area of the operable unit 1 of the LCP Site in Brunswick, Georgia," prepared for Allied Signal, Inc., by PTI Environmental Services. (June 1997) Draft document, not yet approved by EPA for use in RI/FS.

**4.4 Work Plans and Progress Reports**

1. Cross Reference: "Work Plan: remedial investigation and feasibility study (RI/FS), upland soils and ground water, LCP Chemicals - Georgia, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Site Steering Committee. (February 1996) [Filed and cited in Entry Number 1 of 3.4 REMEDIAL INVESTIGATION (RI) - Work Plans and Progress Reports]
2. Cross Reference: Work plan: ecological risk assessment and RI/FS (Remedial Investigation/Feasibility Study) for the marsh (estuarine) operable unit of the LCP Chemical Site in Brunswick, Georgia," prepared by PTI Environmental Services, and CDR Environmental Specialists for AlliedSignal, Inc. (March 1996) Draft document, not yet approved by EPA for use in RI/FS. [Filed and cited in Entry Number 2 of 3.4 REMEDIAL INVESTIGATION (RI) - Work Plans and Progress Reports]
3. Cross Reference: Letter from Gary N. Bigham, PTI Environmental Services, to Alan W. Yarbrough, EPA Region IV (with attachments). This letter transmitted modifications to the draft work plan for the marsh (estuarine) operable unit at the LCP Chemical Site, Brunswick, Glynn County, Georgia. (April 09, 1996) Draft document, not yet approved by EPA for use in RI/FS. [Filed and cited in Entry Number 3 of 3.4 REMEDIAL INVESTIGATION (RI) - Work Plans and Progress Reports]

**4.9 Feasibility Study (FS) Reports**

1. Cross Reference: "Upland soils remedial investigation and feasibility study (RI/FS) LCP Chemicals - Georgia, Brunswick, Georgia," prepared by GeoSyntec Consultants for LCP Steering Committee. (June 1997) Draft document, not yet approved by EPA for use in RI/FS. [Filed and cited in Entry Number 1 of 3.10 REMEDIAL INVESTIGATION (RI) - Remedial Investigation (RI) Reports]

**10.0 ENFORCEMENT****10.11 EPA Administrative Orders**

1. Administrative Order On Consent for Removal Action, In The Matter Of: LCP Chemicals - Georgia Site, Brunswick, Glynn County, Georgia. Allied Signal, Inc., Atlantic Richfield Company and Georgia Power Company, Settling Parties (with attachments). U.S. EPA Region IV CERCLA Docket No. 98-03-C. (February 04, 1998)
2. Letter from Gregory D. Luetscher, EPA Region IV, to Charles H. Tisdale, King & Spaulding, and J. Mark Kamilow, Remediation and Evaluation Services. This letter formally notified the representatives of the settling parties at the LCP Chemicals - Georgia, Brunswick, Glynn County, Georgia, that March 23, 1998, was the effective date for the above administrative order on consent for removal action dated February 4, 1998. (March 23, 1998)

**11.0 POTENTIALLY RESPONSIBLE PARTIES (PRP)****11.7 PRP Steering Committee Documents**

1. LCP Chemicals - Georgia, Brunswick, Georgia, Application for Preauthorization of Funds from the Hazardous Substance Superfund, prepared on behalf of: Allied Signal, Inc., Atlantic Richfield Company (ARCO) and Georgia Power Company. Transmitted by the attached letter from Charles H. Tisdale, Jr., King & Spaulding (representing Allied Signal, ARCO and Georgia Power), hand delivered to the following EPA Region IV personnel: William Bush, Richard D. Green, John Hankinson, Jr., Gregory D. Luetscher, Paul Peronard and Alan W. Yarbrough. (June 13, 1996)

**13.0 COMMUNITY RELATIONS****13.9 Fact Sheets**

1. "LCP fact sheet," EPA Region IV. (May 30, 1995)
2. "LCP fact sheet," EPA Region IV. (October 17, 1995)

**17.0 SITE MANAGEMENT RECORDS****17.7 Reference Documents**

1. "Biogeochemistry of acid generation in sulphide tailings and waste rock," R.A. Knapp, SENES Consultants Limited. Transmitted by the attached memorandum of June 16, 1995, from Alton Payne, PRI, to Leo Francendese, EPA Region IV. (DATE UNKNOWN)
2. "Habitat equivalency analysis (HEA), the basic framework," National Oceanic and Atmospheric Administration (NOAA). (DATE UNKNOWN)
3. "Lead - inorganic," Handbook of toxic and hazardous chemicals and carcinogens. (DATE UNKNOWN)
4. "Mercury - inorganic," Handbook of toxic and hazardous chemicals and carcinogens. (DATE UNKNOWN)
5. "Mercury," article from unknown source. (DATE UNKNOWN)
6. "Method development and sample processing of water, soil and tissue for the analysis of total and organic mercury by cold vapor atomic fluorescence spectrometry," R.D. Jones, M.E. Jacobson, R. Jaffe, J. West-Thomas, C. Arfstrom and A. Ali. (DATE UNKNOWN)
7. "Polychlorinated Biphenyls (PCBs)," Handbook of toxic and hazardous chemicals and carcinogens. (DATE UNKNOWN)
8. "Relation between concealed faults and ground water quality in a carbonate aquifer system, Brunswick, Georgia, U.S.A.," by Morris L. Maslia and David C. Prowell. Reprinted from the proceedings of the Fourth Canadian/American Conference on Hydrogeology. (DATE UNKNOWN)
9. "U.S. Fish and Wildlife Service, Habitat Suitability Index for Shortnosed Sturgeon. Transmitted by fax to EPA Region IV, November 11, 1996. (DATE UNKNOWN)
10. Chronological summary of Purvis Creek environmental sampling, results and marine resource management actions, 1991 - 1994. (DATE UNKNOWN)
11. Table, "Fish tissue residue PCB concentrations (mg/kg, wet weight) associated with adverse biological effects". (DATE UNKNOWN)
12. Table, "Toxicity associated with mercury in tissues (ug/g) wet weight". (DATE UNKNOWN)
13. "Differences in response of caged White Leghorn layers to various Polychlorinated Biphenyls (PCBs) in the diet," by Robert J. Lillie, Helene C. Cecil, Joel Bitman and G.F. Fries, United States Department of Agriculture, Poultry Science. (March 1974)

14. "Decommissioning of mercury cell chlor-alkali plants in Canada," Government of Canada Environmental Protection Service. (November 1983)
15. "The excretion of heavy metals by the salt marsh cord grass *Spartina alterniflora*, and *Spartina*'s role in Mercury cycling," by Mark L. Kraus, Peddrick Weis and John H. Crow, Marine Environmental Research. (1986)
16. "Reducing costs by using value engineering on Superfund projects," by Merle Braden, Remediation, Winter 1990/91. (1990)
17. "Workshop report on toxicity equivalency factors for Polychlorinated Biphenyl congeners," assembled by Eastern Research Group, Inc., for EPA, Washington, DC. (June 1991)
18. "Health hazard evaluation report, HETA 87-402-2145, LCP Chemicals and Plastics, Inc., Brunswick, Georgia," U.S. Department of Health and Human Services. (October 1991)
19. "Draft analytical method for determination of acid volatile sulfide in sediment," EPA Office of Water. (December 02, 1991)
20. Memorandum of understanding between the National Oceanic and Atmospheric Administration and the U.S. Environmental Protection Agency concerning the notification and coordination of activities pursuant to the Comprehensive Environmental Response, Compensation, and Liability Act (CERCLA). OSWER Directive 9295.0-02. (June 24, 1992)
21. "Interim report on data and methods for assessment of 2,3,7,8-Tetrachlorodibenzo-p-dioxin risks to aquatic life and associated wildlife," EPA Environmental Research Laboratory, Duluth, Minnesota. Transmitted December 19, 1996, with Benthic flux sampling device information by fax from Denise Klimas, NOAA, and Mary Matta, NOAA, to Paul Peronard, EPA Region IV, and Leo Francendese, EPA Region IV. (March 1993)
22. "Work plan for remediation of contaminated bank soils and creek bed sediments Mill Creek at Western Processing, 20015 72nd Avenue South, Kent, Washington," prepared by Chemical Waste Management, Inc., for Western Processing Trust. (June 21, 1993)
23. "Guidelines for the protection and management of aquatic sediment quality in Ontario," Queens Printer for Ontario. (August 1993)
24. "Evaluation of the critical body burden concept based on inorganic and organic Mercury toxicity to Rainbow Trout (*Oncorhynchus mykiss*)," A. J. Niimi and G. P. Kisson, Archives of Environmental Contamination and Toxicology. Transmitted by fax from Mary Matta, NOAA, to Paul Peronard, EPA Region IV. (1994)
25. "Considering wetlands at CERCLA sites," EPA Publication: 9280.0-03. (May 1994)
26. NOAA Technical Memorandum, NMFS-SEFSC-348; Mercury bioaccumulation in finfish and shell fish from Lavaca Bay, Texas: descriptive models and annotated bibliography," by David W. Evans and David W. Engel, National Oceanic and Atmospheric Administration (NOAA). Transmitted by the attached fax, with memorandum from Mary Matta, NOAA, to Paul Peronard, EPA Region IV. (May 1994)
27. "Incidence of adverse biological effects within ranges of chemical concentrations in marine and estuarine sediments," Environmental Management. (1995)
28. "Benthic flux sampling device," Naval Command, Control and Ocean Surveillance Center, San Diego, California, EPA Environmental Research Laboratory, Duluth, Minnesota. Transmitted December 19, 1996, with Interim report on data and methods for assessment of 2,3,7,8-Tetrachlorodibenzo-p-dioxin risks to aquatic life and associated wildlife" by fax from Denise Klimas, NOAA, and Mary Matta, NOAA, to Paul Peronard, EPA Region IV, and Leo Francendese, EPA Region IV. (April 1995)

29. Letter from Stephen Margolis, Georgia Department of Human Resources, to Paul Peronard, EPA Region IV (with attachments). This letter provided information concerning the planned April 13, 1995, meeting to discuss public health research activities related to the LCP Chemicals Site, Brunswick, Glynn County, Georgia. (April 06, 1995)
30. "Tier 1 Report: Development of sediment quality criteria for the protection of human health," Washington State Department of Health. (June 1995)
31. "Supplemental guidance to RAGS: Region 4 bulletins, ecological risk assessment, DRAFT," EPA Region IV Office of Health Assessment. (November 1995)
32. "Toxicological significance of Mercury in freshwater fish," James G. Wiener and Douglas J. Spry, published as Chapter 13 of Environmental contaminants in wildlife: interpreting tissue concentrations. Transmitted by the attached fax, with memorandum, from Mary Matta, NOAA. (1996)
33. "Engineering bulletin, composting," EPA. (August 1996)
34. "Engineering bulletin, constructed wetlands treatment," EPA. (August 1996)
35. Memorandum from Roy L. Smith, EPA Region III, to Risk-Based Concentration Table mailing list (with attachments). This memorandum transmitted tables containing reference doses, carcinogenic potency slopes, risk based concentrations and soil screening levels (water and air) for nearly 600 chemicals. (August 07, 1996)
36. "Distribution and characterization of Polychlorinated Biphenyl congeners in soil and sediments from a Superfund site contaminated with Aroclor 1268," by Kurunthachalam Kannan, Keith A. Maruya and Shinsuke Tanabe, presented to Environmental Science and Technology. Transmitted by the attached letter from Keith Maruya, University of Georgia, to Paul Peronard, EPA Region IV, and Leo Francendese, EPA Region IV. (August 19, 1996)
37. 1994 Coastal Ocean Program Bioeffects Study. (January 27, 1997)

**17.8 State and Local Technical Records**

1. "Guidance on target soil concentrations for type 1 and type 3 risk reduction standards," Georgia Department of Natural Resources, Environmental Protection Division, Hazardous Site Response Program. (March 09, 1995)
